YUP GAMES PRIVACY POLICY

Last updated 13.05.2023

1. Who are "YupGames"?

  - "YupGames" is used as brand entity for all games developed by me(Kirill aka YupCore) and a bunch of my friends.

2. Third-party data privacy

  - https://www.epicgames.com/site/en-US/privacypolicy

  - https://unity.com/legal/privacy-policy

3. What data we collect?

  - Unity log files

  - Session info(duration, map, players)

  - Easy Anti Cheat session info & peer info.

4. How we use that information?

  - Session info is used for analysis of game state & player engagement.

  - Log files are used by programmers to detect bugs & problems in code.

  - Anticheat is used to determine & ban hackers.

5. How we share information?

  - We don't share this information with anyone, it's only used in internal development process.
